

Webinar on Intellectual Property Right Awareness Program

Kanpur Institute of Technology and Pharmacy, Kanpur, successfully conducted a webinar on “Intellectual Property Right-Awareness Program” on 07.06.2023, started at 10:00 am. The webinar was graced by Mr. Alok mishra (Assistant Controller of patent & Designs). He acknowledged the participants regarding Intellectual Property Rights i.e. patent, copyright, trademark etc. The webinar was open for all. Faculty members, staff & students participated in the webinar.

The screenshot shows a Zoom meeting interface. The main window displays a slide titled "Different IPs in a Single Product" with the NIPAM logo. The slide lists the following intellectual property types for a laptop: LED display- Patent, Body of laptop- Design, Apple sign- Trade Mark, User Manual- Copyright, and layout of IC- SICL Design. To the right, a chat window shows a list of participants: uma gupta (Me), Alok Mishra (Host), Aanshi Awasthi, Aachal Thakur, and Ayushi Awasthi. The chat history includes messages from Awanish singh chandel, PRAMATMA KUMAR, Singh Keshav Rajesh, Nishu bhadoriya, Manoj kumar yadav, Harshit singh, Singh Keshav Rajesh, and Adarsh Srivastava, with some audio-related feedback.

The screenshot shows a Zoom meeting interface. The main window displays a slide titled "VALIDITY" with the NIPAM logo. The slide lists the following validity periods: Patents- 20 years term (with a note: "There is nothing called global / international patent"), Designs- 10 years + 5 years, Trade Marks- Indefinitely, GI-Indefinitely subject to renewal, and Copyright- lifetime of the author + sixty years. It also states: "Who can Apply:- Person (Individual not for GI) or legal representative" and "Person includes:- Firm, partnership, small entity and a body corporate". At the bottom, it says "All IP rights are territorial in nature". To the right, a participants list shows 141 participants, including uma gupta (Me), Alok Mishra (Host), Aanshi Awasthi, Abhay Bhadauriya, abhay bajpai, and Aanshi Awasthi.

The dates and time are listed as "JANUARY 9-15, 2023 • TIME- 2:00 PM ONWARDS". A portrait of Mr. Ankit Gupta is on the right side.

How to choose a good domain

- Match with to your business keywords
- Keep It Short Stupid (KISS)
- Avoid number and hyphens
- Be memorable and easy to type
- Use appropriate domain name extensions (TLDs).
- Ex.: .com, .in, .org etc.

Zoom

Leave

The screenshot shows a Microsoft PowerPoint presentation. The main slide features a blue and white design with the text "WELCOME TO WORKSHOP ON DIGITAL MARKETING" in blue. A small logo is visible in the top left corner of the slide. The left sidebar shows a preview of the presentation's structure, including a title slide, an "INDEXING" slide, an "About Trainer" slide, and a "Let me know what you think" slide. The bottom status bar of the PowerPoint window indicates "Slide 1 of 22" and "English (India)".

Farahat Ali is presenting

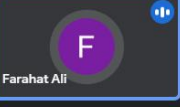

If GTI is introduced in the final step

> Specification should be applied based on the toxicology assessment:-

- If sufficient data are generated to show the GTI is not present or efficiently rejected, it may be possible to omit the regulatory specification.
- If API is a salt of methanesulfonic acid and final step involves Ethanol or Methanol, Genotoxic esters such as methyl or ethyl mesylate may form.
- It can be demonstrated that such esters are efficiently removed by the process

Webinar on “Innovation as an Entrepreneur”

Kanpur Institute of Technology and Pharmacy organized a webinar on “Innovation as an Entrepreneur” on 14th September 2020 at 3:00 PM. The session was graced by Dr. Sunil Shukla, Director General, Entrepreneurship Development Institute of India, Gujarat. Dr Shukla has more than 23 years of professional experience in entrepreneurship teaching & training. The seminar highlighted the relevance of innovation for an entrepreneur.

The poster is set against a dark blue background with decorative orange and light blue circles. At the top center is the SKIT logo, which includes a stylized 'S' and 'KIT' with a gear icon and 'Estd. 2004' to the right. Below the logo, the text 'KANPUR INSTITUTE OF TECHNOLOGY AND PHARMACY' is written in white, followed by 'PCI APPROVED | AKTU & BTE AFFILIATED' in a smaller font. The word 'Organises' is written in a gold cursive font. The main title 'a Webinar on' is in white, followed by 'Innovation as an ENTREPRENEUR' in large gold letters. Below this, the date and time 'on 14th September, 2020 at 3:00 PM' are in white. A circular portrait of Dr. Sunil Shukla, a man with glasses and a mustache, is on the right. At the bottom, a gold banner contains 'Dr. Sunil Shukla' in red, 'Director General' in black, and 'Entrepreneurship Development Institute of India' in black. The footer includes a phone icon and the number '8262905906', a globe icon and the website 'www.kit.ac.in', an Instagram icon and the handle 'kanpurinstituteoftechnology', a Facebook icon and 'KIT165', and a Twitter icon and 'kit_kanpur'.

Session on “Innovation & Entrepreneurship”

Kanpur Institute of Technology and Pharmacy, Kanpur organized a session on “Innovation & Entrepreneurship” on 15th November, 2019 at 2.00 pm in the campus. The session started with a brief introduction of the speaker. It focused on encouraging the spirit of entrepreneurship amongst the youth. It was an interactive session wherein the students raised doubts; they also shared their business idea of becoming an entrepreneur.

Seminar on Global Student Entrepreneur Awards

Kanpur Institute of Technology and Pharmacy organised a Seminar on Global Student Entrepreneur Awards on 29th August, 2019. EO GSEA is an exclusive opportunity for student entrepreneurs to make connections, find resources, and grow their businesses. The expert session was conducted by guest speakers Mr. Prashant Kumar and Mr. Mohd. Asif

Workshop on Foster the Entrepreneurial Spirit Among Young People

Kanpur Institute of Technology and Pharmacy organised a workshop on 15th November, 2018 for the students of B. Pharm. 3rd year to help foster the entrepreneurial spirit among young people today and give them adequate direction to launch their own enterprises. The speakers were Mr. Akshat Srivastava from Campus Haat and Ms. Devyani Verma from Josh Talks. Mr. Akshat briefed about his entrepreneurial journey, and Ms. Devyani talked about how social media can be used as a business tool. She elaborated that using social media allows customers to connect and interact with your business on a more personal level and using online networking sites can also be valuable to your business, often for the purpose of knowledge sharing and word-of-mouth referrals. KITP extends thanks to both the speakers for priming such an enriching session.

Seminar on the topic “Intellectual Property Rights”

Kanpur Institute of Technology & Pharmacy, Kanpur organized a seminar on the topic “INTELLECTUAL PROPERTY RIGHTS” by Dr. Nitin Sharma (POSTDOC fellow, DRDO) on 16th October, 2018. He briefed it as a category of property that includes intangible creations of the human intellect, and primarily encompasses copyrights, patents, and trademarks. He further added that it includes other types of rights, such as trade secrets, publicity rights, moral rights, and rights against unfair competition. Head of Department, Mrs. Esha Yadav and entire KITP family extend thanks to Dr. Sharma for priming such an enriching session.

Workshop on “Entrepreneurship Skills”

A workshop on “Entrepreneurship Skills” for B. Pharm. 2nd year was conducted at KITP, Kanpur on 8th September, 2018. Guest Speaker Mr. Amit Tiwari - MKT Software, explained students about strong technology skills required in becoming an entrepreneur. He also focused on some key areas and social abilities needed to build a great team in startups. All the students actively participated in the session & learned some good ways to develop quality traits.

Seminar on “Entrepreneurship”

Kanpur Institute of Technology and Pharmacy, Kanpur organized a seminar on “Entrepreneurship” for B. Pharm. 3rd & 4th year students at its campus in September 15, 2018. Guest speaker, Mr. Ankit Awasthy, discussed on how to get an idea for new projects & start-ups. He also shared the experiences on implementation of programs of self-employment and entrepreneurship with the students. It was a great career-oriented session for all.
