National Conference on Computing, Communication, Control, Informatics and Bio-Sciences

Kanpur Institute of Technology and Pharmacy organized a National Conference of Computing, Communication, Control, Informatics and Bio- Sciences (NC4 IB-2024) on 3rd February 2024. The conference will provide a platform to the academicians and research scholars for knowledge sharing and knowledge learning by presenting papers and by being an attendee in the conference.

Seminar on National IP Yatra

Training & Placement Cell of Kanpur Institute of Technology and Pharmacy in association with ASSOCHAM organized a seminar on National IP Yatra dated from 05.12.2023 to 06.12.2023. It is an initiative of Ministry of Micro Small and Medium Enterprises for enhancing the awareness of Intellectual Property Rights (IPRs) amongst the MSMEs and to encourage creative intellectual endeavor in India Economy.

It was conducted to create awareness about the benefits of IPR and had sessions on how startups and MSMEs can file for Patents, trademark, copyright and many other IPR related topics. Not only was the session informative but the training provided was also interesting.

Guest Lecture on Entrepreneurship

Kanpur Institute of Technology and Pharmacy Organized “National Innovation Day” for commemorating the birth anniversary of former President of India, Bharat Ratna APJ Abdul Kalam. An online guest lecture was organized dated on 25.10.2023 and lecture was given by young entrepreneur Dr. Deepti Dyondi, she shared her journey as entrepreneur to motivate students for the same.

Dr. Deepti Dyondi holds an M. Tech and Ph.D Biomedical Engineering from IIT Bombay. Topping the state in the GATE examination with 99.76 percentile and an All India Rank 15, she was always drawn towards entrepreneurship and creating something new. During her PhD, she and a team of 4 other researchers represented India in the first Indo-UK Young Entrepreneurship Scheme (YES) Biotechnology Business Plan competition at Oxford, UK.

Paradigm Shift in Research and Development

Kanpur Institute of Technology and Pharmacy, Kanpur in association with ICFAI Business School, Gurugram; organized a Faculty Knowledge Sharing Program on the topic 'Paradigm Shift in Research and Development' dated on 24.07.2023 for the faculty members of the institute.

Dr. Shalini Khandelwal – Guest speaker for the day and Dean Academics, Area Head and Faculty – HR & OB (IBS Gurugram), shared her valuable inputs on the topic and discussed on how recent trends in the field of Research & Development have led to changes in the pedagogies and how the future of education will be impacted in the upcoming days with new ideas incorporating and incubating in the young minds of the nation. A thorough discussion was held and several research ideas were brainstormed during the entire session.
