Guest lecture on 'Mantra of Personality Development'

KIT Alumni Association organized an alumni guest lecture on 'Mantra of Personality Development' for the students of KIT, by their prestigious alumna, Ms. Shweta Yadav, working as Deputy Manager - Talent Acquisition in Wipro Limited on December 19, 2023. The speaker shared her corporate experience with students and enlightened them with valuable inputs for a better preparation to get into the corporate environment.

The students learnt about important parameters of personality development and interacted with Ms. Shweta for accurate guidance on proper body language in an official setup.

Dean T&P Cell - Ms. Nidhi G Kapoor, President Alumni Association - Mr. Asheesh Gupta and others were present at the event. On the behalf of the entire KIT family and KIT Alumni Association, we thank Ms. Shweta Yadav for devoting her precious time towards the cause. We wish her lots of success in the upcoming walks of life and look forward to a strong association in the future!

Session on Basics of Interview Skills

Training and Placement Cell, Kanpur Institute of Technology in collaboration with Laddr, organized an interactive session for the students of KIT about the basics of Interview Skills, to make the students geared up with adequate skills for the upcoming placement cycle.

Guest Speakers and Founders of Laddr - Mr. Anant Agarwal and Ms. Sonalika Mehra motivated the students and gave the students insights about various questions asked during an interview and how to answer these questions with precision and confidence.

Dean T&P – Ms. Nidhi G Kapoor, HOD Business Administration - Mr. Faraz Khan, Manager T&P – Mr. Mridul Bajpai, Manager T&P – Ms. Hina Siraj and Event Coordinator – Ms. Archana Pandey were present during the session.

International Yoga Day

Yoga leads to all-round development of a person. On the occasion of International Yoga Day on 21st June 2024, KIT organized a yoga session. Our vibrant community of students, faculty members, and staff came together to celebrate the essence of yoga. Under the expert guidance of senior faculty member Renu Tondon from the Art of Living, we engaged in various yoga asanas, meditation sessions, and other mind-relaxing activities. It was a rejuvenating experience that highlighted the importance of mental and physical well-being. Let's continue to embrace the spirit of yoga in our daily lives and strive for harmony and balance. This program was organized by Yoga Club. Kanpur Institute of Technology has already included Yoga in its daily activity. The day concluded with recitation of Shanti Mantra and everyone taking the message of peace and relief to every home.

World No Tobacco Day

On the significant occasion of World No Tobacco Day on 31st May, 2024, the entire KIT family, our dedicated faculty, supportive staff, and vibrant students have come together to take a powerful pledge against tobacco. This collective commitment isn't just about words; it's about a shared vision for a healthier, brighter future.

At KIT, we understand that tobacco use is a major threat to health and well-being. By standing together, we not only encourage each other to quit tobacco but also inspire our extended community to embrace a tobacco-free lifestyle. This united front reflects our core values of mutual support, health, and education.

Meditation and Personality Development Session

Kanpur Institute of Technology (KIT) in collaboration with the Value Education Cell and Training and Placement Cell hosted an enlightening orientation program on 25th April 2024, in association with Art of Living. This event, aimed at nurturing the holistic development of its students, focused on the transformative power of meditation and personality development through the YES+ Happiness Program.

The event commenced with an introduction to the significance of mindfulness and meditation in the fast-paced world we inhabit. Guest speakers, the esteemed professional actor Mr. Karan Arora and dynamic youth trainer Ms. Sugandh Parekh, took the stage to impart their insights on the benefits of incorporating meditation into one's daily routine. They illuminated the students on how meditation can enhance concentration, alleviate stress, and foster overall well-being. Throughout the program, students actively participated in various meditation sessions and engaging recreational activities facilitated by Art of Living instructors. These sessions provided firsthand experiences of the calming effects of meditation and its potential to enhance cognitive abilities and emotional resilience.

A highlight of the event was the exploration of Sudarshan Kriya Pranayama, a powerful breathing technique taught by Art of Living. Students learned how this practice can promote relaxation, boost energy levels, and cultivate a sense of inner balance when integrated into their lives consistently. Beyond meditation, the orientation program delved into the realm of personality development. Guest speakers shared valuable insights on enhancing communication skills, building confidence, and refining professional etiquette. The interactive sessions allowed students to glean practical knowledge on how to present themselves effectively in various professional settings, laying a strong foundation for their future career endeavors.

Guest Lecture on "Women Health"

Student Welfare Cell of KANPUR INSTITUTE OF TECHNOLOGY organized a guest lecture on "Women Health" on 7th December, 2023 by Dr. Nidhi Singhvi (Consultant/Obstetrics and Gynaecologist) Regency Hospital, Kanpur. In the session Dr. Nidhi delved into the topics such as health related problems, sexual assaults, the change in the society about a girl child, etc. especially she talked about the different kinds of vaccines that are critical for someone's health. Her words provided a pivotal platform for addressing critical issues related to women's well-being. All the participants were delighted in her session and gained valuable insights for the future.

Health Awareness Program

Kanpur Institute of Technology in association with Star Health and Allied Insurance Company Limited and Bank of Baroda organized a Health Awareness Program on 2nd December 2023. All the queries of the participants related to health insurance policies were discussed in detail.

Guest lecture on Diabetes on the occasion of Diabetes Week

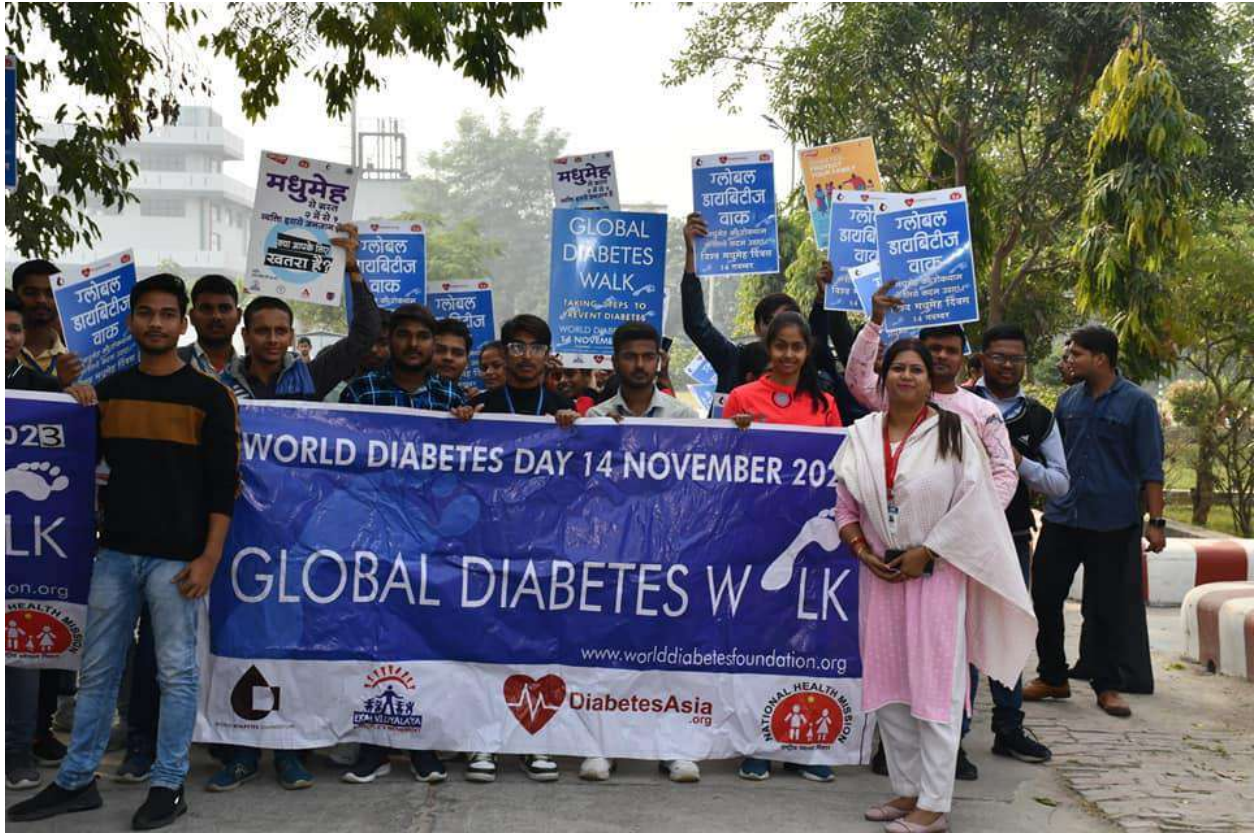

KIT has organised a guest lecture on diabetes on the occasion of Diabetes week on 29th November, 2023 by Dr. Rajesh Jain, a highly esteemed medical professional with an impressive background. Dr. Jain holds an MBBS degree, MD, and a Postgraduate Diploma in Diabetes from the United Kingdom. With a wealth of experience, he currently serves as the Director of Jain Hospital & Research Centre Pvt. Ltd. and has previously worked as a Medical Officer with the World Health Organization.

Diabetes is a chronic (long-lasting) health condition that affects how your body turns food into energy. Your body breaks down most of the food you eat into sugar (glucose) and releases it into your bloodstream. When your blood sugar goes up, it signals your pancreas to release insulin. In today's life it's a normal problem. So for the awareness, KIT has taken this initiative. The session was started with lamp lighting and Saraswati vandana and continue with the welcoming ceremony of Dr. Rajesh by presented him bouquet, memento and gift .And after that the anchor handover the mike to Dr Rajesh and, he had shared so many valuable things related to human body, health and diabetes and also explain the remedies of the disease.

The session ended with the students' walk in which they highlighted the slogans “*Mota Anaaj Khana Hai, Diabetes Ko Bhagana Hai.*”

Yoga Session

“Yoga is not for only one – it’s for everyone, Yoga is not for a day- it’s for everyday.”

Kanpur Institute of Technology believes that education does not mean mere imparting of knowledge or facts but it encompasses an all round development of an individual. KIT has been taking all initiatives to accomplish this on 23/09/2023 .Yoga Club organized a plethora of activities ranging from Asanas, Pranayam to Suryanamaskar. The participants stretched their arms, bent their legs, rolled their neck and twisted every sinew in their body with greater dexterity, in a spectacular synchronicity with English and Hindi instructions. Vrikshasana, Parvatasana, Padmasana, Vajrasana were the asanas, to name a few, performed on the occasion. The main attraction of the day was the performance of Suryanamaskar in which coordination of body and mind is very important. Mr. Deep Kumar Srivastava and Mr.Vimal Pandey, FIC Yoga Club had also arranged for a slide-show highlighting the importance of yoga in an individual's life. The Dean Student's welfare Cell-Dr. Ritu Kumari Singh, in her inaugural address opined, “Yoga, an ancient Art and Science of health and harmony have vast potential for physical, mental, emotional, social and spiritual health of every human being. The Institutions/Collages being convergent centres can play a path breaking role in the growth and development of the nation. Realizing this, Kanpur Institute of Technology, has already included yoga in its Daily activity. The day came to conclusion with the recitation of Shantimantra.

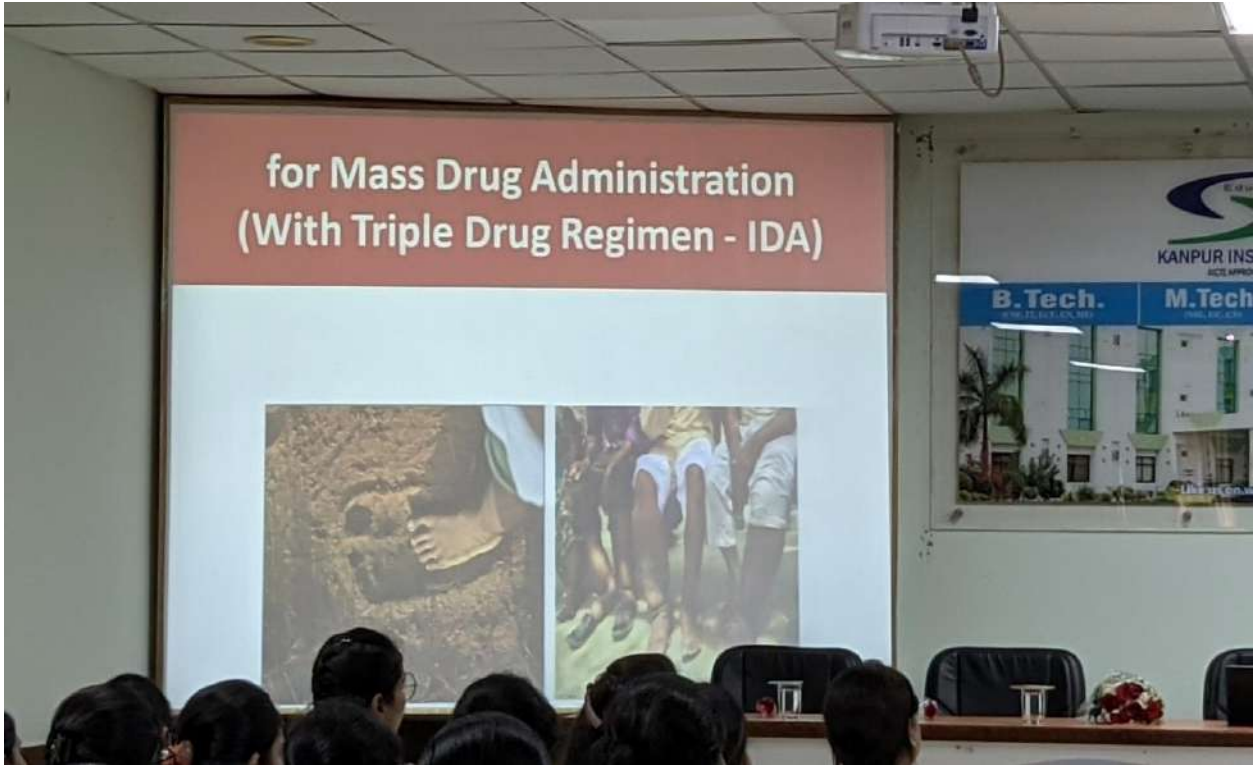

Guest Lecture on "Lymphatic filariasis"

Lymphatic filariasis, commonly known as elephantiasis, is a neglected tropical disease. Infection occurs when filarial parasites are transmitted to humans through mosquitoes. Infection is usually acquired in childhood and causes hidden damage to the lymphatic system.

The Health Club of Student's welfare cell of Kanpur Institute of Technology has organized a guest lecture on "Lymphatic filariasis" by Dr. Manjeet, Zonal Coordinator, WHO & Dr. Tanushri Chakraborty, District Coordinator, Project Concern International on 5th August, 2023. Director "Dr. Brajesh Varshney, Dean Academics "Dr. Neeraj Mishra", Dean T&P "Ms. Nidhi G. Kapoor, Dean Administration "Dr. Rakesh Kumar Pandey, and Dean Student's Welfare "Dr. Ritu Kumari Singh" was also invited, faculty members and students were present in the experts talk with the intention to attain knowledge. Experts talked about how Lymphatic Filariasis spread, its causative agents, and its epidemiology, and also share some field survey case studies. Also, experts have circulated questionnaires with present faculty members and students. They suggest their treatment and prescribed drugs for the disease and also share precautions we should take for it.

Guest Lecture on “Stress management”

“Stress is the trash of modern life-we all generate it, but if you don’t dispose of it properly, it will pile up and overtake your life”

To prove the veracity of this line, Social Club of KIT organised a guest lecture on “Stress management” on 03rd July, 2023 by Dr. Rohan Kumar (Consultant/Psychiatrist) Regency Hospital, Kanpur. Dr. Rohan is a renowned psychologist with expertise in stress reduction. Most of the sessions include workshops, one to one counselling, supportive resources and follow up sessions conducted by him. It aims to enhance students ‘Mental Well Being, Academic Performance and Personal Growth. Dr. Rohan has shared multiple things during his session like- what is stress & how can we manage it and what are the various techniques of stress management. All of the participants enjoyed his session and learned so many good things for the future.

Seminar on 'IBM Skills Build Orientation Program'

Training and Placement Cell, Kanpur Institute of Technology, in association with Edunet Foundation and IBM, organised a seminar titled, 'IBM Skills Build Orientation Program' for its students on 29th May, 2024. As stated by the orator Mr. Vaibhav Chopra, on behalf of IBM, this course offers students a valuable opportunity to enhance their technical knowledge and boost their career prospects. By registering for the program on the IBM Skills Build platform, students gain access to a comprehensive curriculum covering key areas such as cyber security, data science, and artificial intelligence.

The program equips participants with practical skills and industry-recognized certifications, making them more competitive in the job market. With hands-on learning and expert guidance, students are better prepared to meet the demands of employers and stand out among other candidates in the hiring process. This initiative is pivotal in bridging the skills gap and fostering career growth for the students.

Coding Competition, Syntaxx Solver Series on HackerRank Platform

We are happy to share that for the bright minds of Kanpur Institute of Technology, an exclusive Coding Competition, Syntaxx Solver Series on HackerRank Platform was organized by Technical Training Department (TTD), KIT under IEEE banner on 29th April, 2024.

The event was to test the problem-solving abilities and compete against fellow B. Tech. students from all branches. The cash prizes and certificates have been distributed to top 10 students and participation certificates have been provided to all the students participating.

Prizes and certificates to top students have been distributed by Dr. Brajesh Varshney, Director KIT. On this occasion Dr. R.K. Pandey, Dean Administration, Dr. Neeraj Mishra, Dean Academics, Mr. Rahul Singh, Head CSE/IT/AIML, Dr. Ashish Maurya, IEEE Coordinator and faculty members were present and also distributed the certificates to the participants.

Workshop on 'Networking and Ethical Hacking'

Training & Placement Cell, Kanpur Institute of Technology in association with Netcamp organised a workshop on 'Networking and Ethical Hacking' on 18th April 2024, for the students of B. Tech. 3rd Year.

The students learnt about using various networking and hacking tools phishing, cryptography, steganography, etc. They also learnt the process and use of kali linux, finding IP addresses, changing mac, DNS and server networking, accessing IP using websites and many other practical concepts useful in the field of networking and hacking.

Seminar on Full Stack Development in HTML, CSS, Django and Javascript

On 08.04.2024, Training and Placement Cell, Kanpur Institute of Technology organised a seminar for the students on Full Stack Development in HTML, CSS, Django and Javascript, where the students learnt the important functions in these coding languages.

The resource person, Mr. Aman Shukla from Sofcon India Pvt. Ltd., taught the students the practical use of coding in creating basic games such a 'Rock-Paper-Scissor', and made them understand, why correct and adequate knowledge of coding in different languages is important for career growth and development in top IT companies.

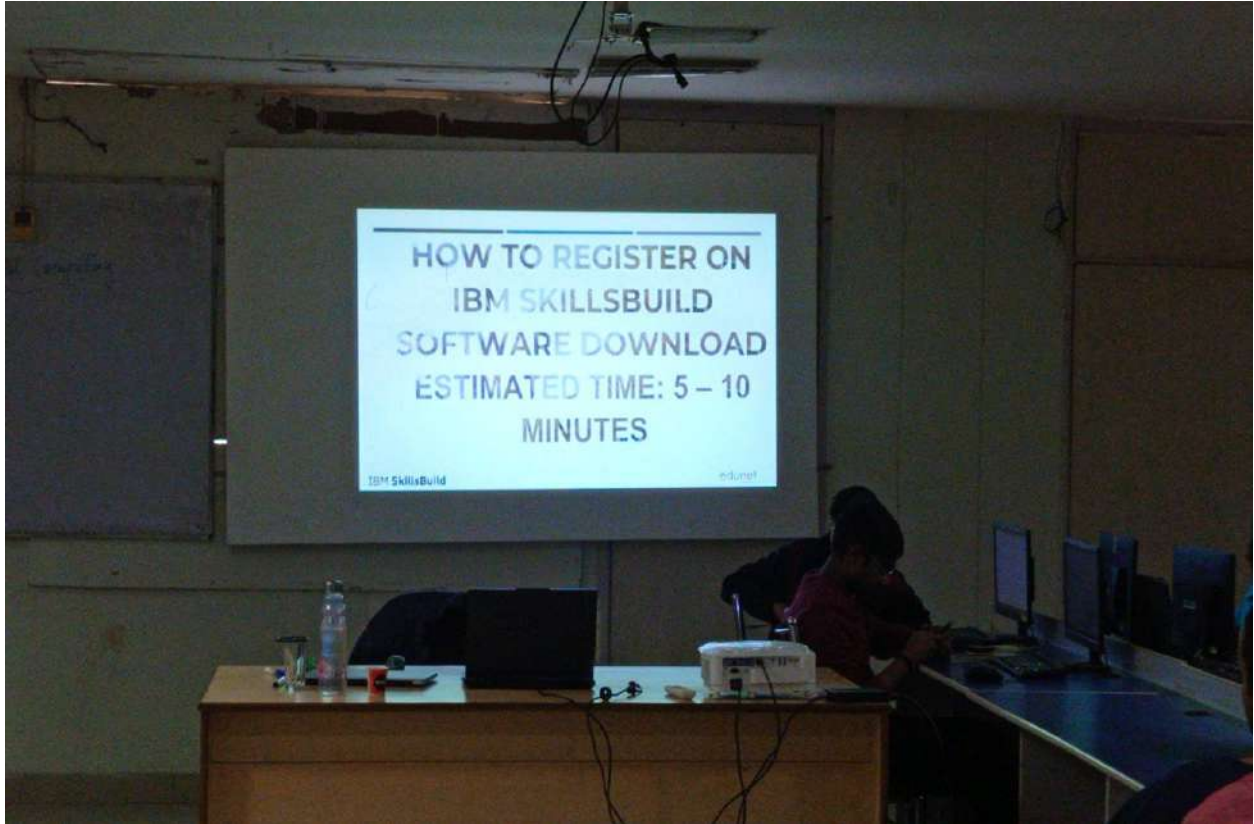

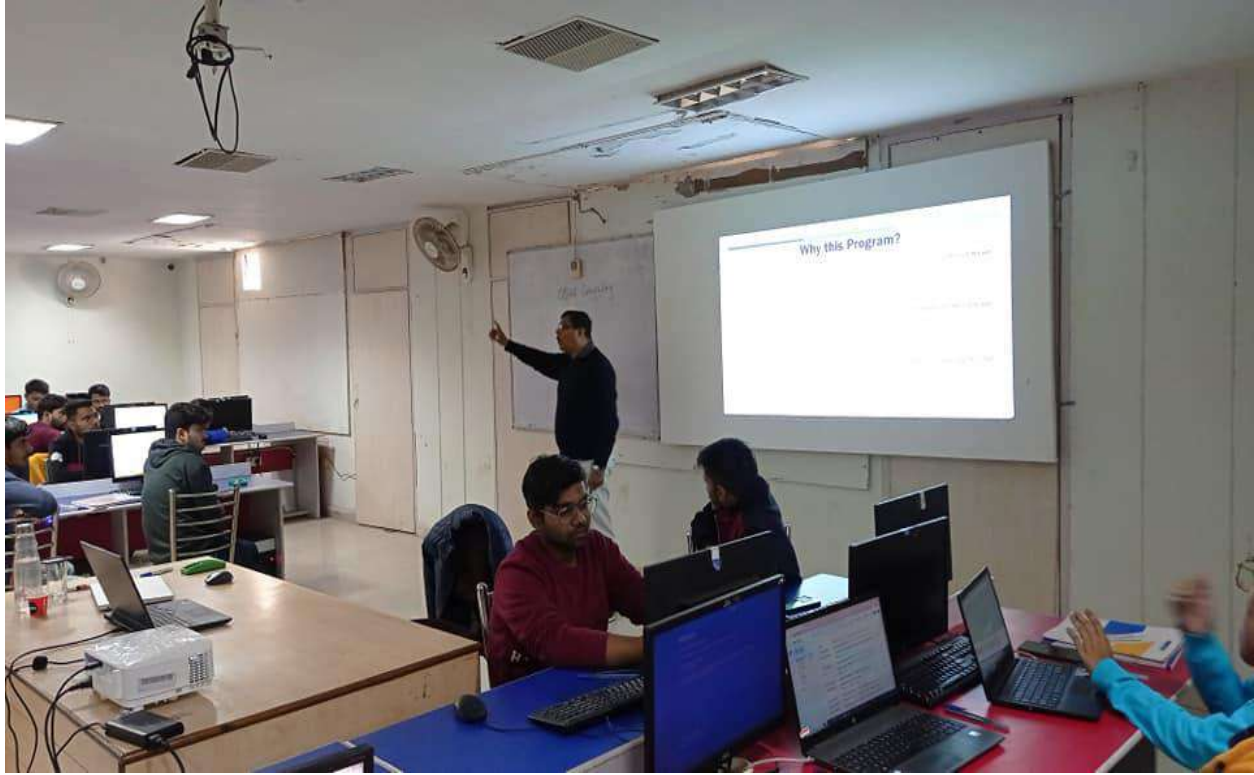

IBM Skillsbuild Boot Camp

Training and Placement Cell, Kanpur Institute of Technology organised a five day IBM Skillsbuild Bootcamp from 11th December, 2023 to 15th December, 2023, for the students of B. Tech. and MCA courses.

During the training, the students were provided access to the IBM Cloud platform, which is widely used across industries. By working on projects using IBM Watson Studio with the help of master trainers for the IBM Bootcamp, Mr. Gufranullah Ansari and Mohd Kashif Siddiqui, our students developed proficiency in utilizing advanced tools that are highly sought after in the job market. The students also gained practical experience and developed in-demand skills in data science, cloud computing, artificial intelligence, and machine learning. By participating in the IBM Skillsbuild Program, our students have surely gained a competitive edge and will be well-prepared to meet the demands of the modern job market.

Workshop on Digital Productivity

Training & Placement Cell and Department of Business Administration, Kanpur Institute of Technology in association with UNICEF; organised a workshop under partnership with YuWaah on Digital Productivity for the students of Management on 01st December, 2023.

The students gained insights on how and why management of digital productivity enhances the skills and employability. The students also participated in an online skill enhancement module, which was facilitated by UNICEF. The students were also offered free certificates for this value addition course on Digital Productivity.

Seminar on Career Prospects in RBI and e-BAAT (Electronic Banking Awareness and Training).

Training & Placement Cell in association with Reserve Bank of India, organised a seminar on 06th January 2024, under the campaign eBAAT (Electronic Banking Awareness and Training) for creating awareness regarding digital payment technicalities, digital payment frauds, and other issues related to digital banking sector.

Deputy General Manager – RBI – Kanpur Office; Mr. Akash Solanki addressed the audience on the topic and explained the future scope of banking sector, as well as possible and prevailing advancements in the field of online banking system.

Dean Administration - Dr. R.K. Pandey, Dean T&P Cell - Ms. Nidhi G Kapoor, Dean Academics - Dr. Neeraj Mishra, Dean DSW - Dr. Ritu Kumari Singh, Manager T&P Cell – Mr. Mridul Bajpai, HODs and all the valued members of KIT family were present during the session.
