Guest Lecture on "Lymphatic Filariasis"

Lymphatic filariasis, commonly known as elephantiasis, is a neglected tropical disease. Infection occurs when filarial parasites are transmitted to humans through mosquitoes. Infection is usually acquired in childhood and causes hidden damage to the lymphatic system.

The Health Club of Student's welfare cell of Kanpur Institute of Technology and Pharmacy has organized a guest lecture on "Lymphatic filariasis" by Dr. Manjeet, Zonal Coordinator, WHO & Dr. Tanushri Chakraborty, District Coordinator, and Project Concern International on 5 August 2023. Experts talked about how Lymphatic Filariasis spread, its causative agents, and its epidemiology, and also share some field survey case studies. Also, experts have circulated questionnaires with present faculty members and students. They suggest their treatment and prescribed drugs for the disease and also share precautions we should take for it.

Guest Lecture on Diabetes

KITP has organized a guest lecture on diabetes on the occasion of Diabetes week on 29th November 2023 by Dr. Rajesh Jain, a highly esteemed medical professional with an impressive background. Dr. Jain holds an MBBS degree, MD, and a Postgraduate Diploma in Diabetes from the United Kingdom. With a wealth of experience, he currently serves as the Director of Jain Hospital & Research Centre Pvt. Ltd and has previously worked as a Medical Officer with the World Health Organization. Diabetes is a chronic (long-lasting) health condition that affects how your body turns food into energy. Your body breaks down most of the food you eat into sugar (glucose) and releases it into your bloodstream. When your blood sugar goes up, it signals your pancreas to release insulin. In today's life it's a normal problem so for the awareness, KITP has taken this initiative. The session was started with lamp lighting and Saraswati vandana and continue with the welcoming ceremony of Dr. Rajesh by presented him bouquet, memento and gift .And after that the anchor handover the mike to Dr Rajesh and, he had shared so many valuable things related to human body, health and diabetes and also explain the remedies of the disease.

And the session ended with the students' walk in which they highlighted the slogans “Mota Anaaj khana hai, Diabetes ko bhagana hai.”
