DIRECTOR'S DESK

Prof. (Dr.) Brajesh Varshney
Director
Kanpur Institute of Technology

Kanpur Institute of Technology (KIT), founded in 2004 by a group of engineers from the Indian Institute of Technology, aims to "transform inspired minds into skilled Technocrats and Managers with a positive outlook, committed to social responsibility, respect for human values, and the ability to work as a unified team to meet both national and global needs." KIT provides education in fields such as Engineering, Computer Applications, Business Management, and Polytechnic courses. Academics form the foundation and purpose of KIT, focusing on cultivating minds through the systematic application of knowledge, innovation, and technology. Instilling a passion for learning at a young age is essential, and KIT encourages students to connect with peers from across the nation, creating valuable, teachable moments that foster diversity and mutual respect.

KIT's comprehensive academic approach is designed to develop top-tier technocrats who can excel in varied situations and use their acquired skills to drive significant changes in the organizations they join. With the guidance of KIT's dedicated faculty and staff, I warmly welcome all new students to our campus and assure them of our unwavering support in helping them achieve their aspirations.

Dr. Prashant Katiyar
Director
Kanpur Institute of Technology and Pharmacy

With a mission "to transform motivated minds into globally competitive healthcare professionals, skilled and positive in outlook, attuned to the social needs of patient care, drug development, and committed to serving society as a united team to meet the needs of our country and the world," the Kanpur Institute of Technology and Pharmacy (KITP) was founded in 2009 by alumni from the Indian Institute of Technology to deliver exceptional education across various fields. KITP offers programs including D. Pharm, B. Pharm degrees in pharmacy. As a pharmacy institute, we aim to create not only 'Pharmacists for the Future' but also a 'Future for Pharmacists.'

Komal Mishra
Designation: Senior Software Engineer
Company Name: OPTUM
Course: B.Tech (EC)
Salary: 26 LPA

"I am alumna of Kanpur Institute of Technology and had completed B.Tech in 2013. I have around 8 years of IT work experience. Currently, I am working in OPTUM which is ranked at 6th position under fortune 500 and is a US based MNC Company. Here, I am working as Senior Software Engineer in IT department. Prior to this, I was working in Ernst and Young which is a big 4 company. However the entire credit for my achievements goes to KIT faculty members and T&P Cell. Without them, things won't be easier. My suggestion for all students is that first believe in yourself, as nothing is impossible. Try to learn new technologies that are highly demanded in market. Make yourself up to date and follow your goal. The day will come when you'll get the success beyond expectation!"

Nidhi Mishra
Designation: Project Manager
Company Name: N.S. Matrix

"I am currently working as a project manager at NS MATRIX. KIT is definitely one of the best colleges in India. I really enjoyed the days I spend at the campus. I want to thank the entire KIT family and placement cell for my success and feel proud to be a KITian. Thanks to my HOD Sanjeev Shukla sir."

Nidhi Gautam
Company Name: Infosys Limited
Designation: Senior Software Engineer

"Kanpur Institute of Technology was the best place to have acquired the MCA degree! The knowledge I gained there, has helped me grow gradually in my career. The teachers were extremely supportive in the classes and the team of trainers helped me acquire the professional acumen and made me confident enough to secure a job in Infosys. Thank you KIT. Wish everyone all the best for future."

Shani Mishra

"Hello KIT family! I am writing this message to thank my alma mater for all the things I received from KIT. I am working as a Radio Mechanic in Border Security Force, and my work is to establish the communication and also to maintain it. Also, we as a unit have to deal with different surveillance, electronic and it equipments. It was fun studying in KIT with best teachers and friends. I absolutely loved the ambience, classroom, mess and canteen. I wish god luck to the upcoming batches!"

Kriti Jain
Designation: Business Development Associate
Company Name: Edugorilla
Course: BCA

"Hello! I would like to share my 6 months experience in sales, as I was the student of BCA, at first I was very nervous that how to pitch how to survive new city, new atmosphere, new colleagues!. First month was literally tough for me because I have changed my sector from IT to sales but day by day I have realised that adaptation is the key to success! All those things which I have learnt from training period in our college KIT have really helped me a lot. I was already aware from those things which I have to be learning in organisation. Previous month I have achieved twice of the target in my company. I was the only person who achieved this much success in such time. Company provided me earpods, smartwatch and 50k+ incentives. I am very grateful to my entire faculty who always stand by my side in my ups n downs and always support me! Thank you and I wish all the best to the future KITians!"

Isha Srivastava
